

Completing the Pre-Registration & Induction

As a new worker you will receive an invite via email or text to complete the Pre-Registration and the MSite Online Induction.

Below are the instructions that need to be followed to perform this action.

Step 1: Receiving the invite

When you get the invite, click on the link. This will take you to MSite to complete your registration.

Step 2: Completing Online worker Registration and Induction

Follow the steps online.

1 Data Privacy Policy

2 Your Details

3 Online Training

There may be a Step 4 which will ask you to book your onsite induction. Please follow the onscreen process.
