

# MSITE SOCIAL VALUE

## Worker Statistics

How to view **Worker Statistic** reports in MSite, providing key insights into the workforce.

### Worker Statistics

➤ Select the **Sustainability** option in the MSite toolbar on the left-hand side of the screen.

**Worker Statistics**

Shows a breakdown of all custom data entered in the system. Please note: The report filter options Area Code and Borough are mutually exclusive.

**Report Parameters**

From Date: 01/12/2024 To Date: 17/12/2024

Site: Head Office Contractor: All Selected

Borough: All Selected Area Code: All Selected

Workforce: All Custom Fields: All Selected

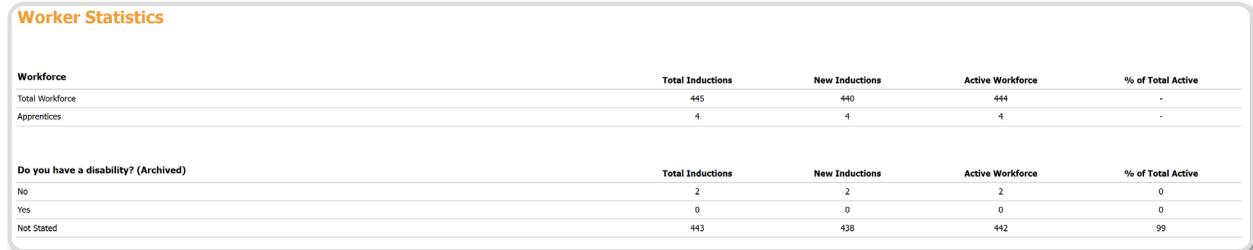

**Run**

➤ Select the **Date Range, Site, Contractor, Borough, Area Code, Workforce and Custom Field** you wish to run the report from.

The **Custom Fields** box is customisable per customer, based on social value data requirements such as:

- **Diversity Monitoring**
- **Employment Information**
- **Personal Details**
- **Language Skills**
- **Trades**

➤ Then click **Run** to run the report.

**Worker Statistics**

Workforce	Total Inductions	New Inductions	Active Workforce	% of Total Active
Total Workforce	445	440	444	-
Apprentices	4	4	4	-

Do you have a disability? (Archived)	Total Inductions	New Inductions	Active Workforce	% of Total Active
No	2	2	2	0
Yes	0	0	0	0
Not Stated	443	438	442	99
