Labour Hours

## Workforce visibility, without the paperwork.

Saves Time & Money

Raises Site Standards

Reduces Risk & Errors

Streamline your construction workforce management with MSite's advanced biometric attendance tools. Say goodbye to manual errors and data duplication as our system effortlessly captures and verifies worker hours in real-time.

Save Time Across Teams

Automate attendance tracking, streamline timesheet approvals, and integrate effortlessly with payroll systems.

Accurate Payroll, Every Time

Use verified attendance data to ensure precise, transparent payroll and reduce costly errors.

Boost Productivity

Simplify admin and reduce manual processes to keep your team focused on high-impact tasks.

Stay CIJC Compliant

Meet industry standards with automated workflows and reliable, verified workforce data.

Insightful Reporting

Access key metrics like contracted vs. actual hours, payable hours, and productivity to make informed decisions.

Improved Transparency

Give site teams, contractors, and payroll full visibility into hours worked and workforce activity, reducing disputes and improving trust.
