

Labour Requisitioning

Streamline your labour desk with connected, compliant workforce data.

Saves Time & Money

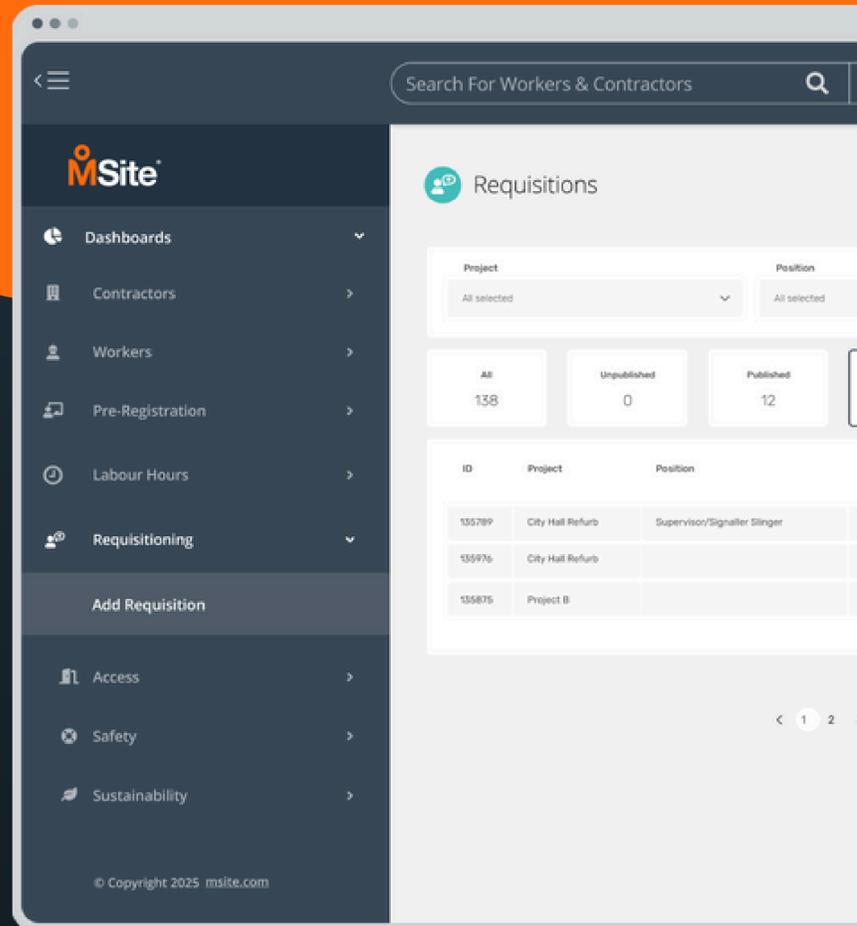

Raises Site Standards

Reduces Risk & Errors

Gain complete visibility and tighter cost control of your workforce by seamlessly connecting labour agencies and contractors to your sites.

Smarter Workforce Matching with MSite Profiles

Ensure candidates are properly onboarded and matched to site needs with verified skills and credentials.

Real-Time Labour Cost Management

Monitor approvals, track requisitions, and manage workforce allocation live to maintain control and prevent unnecessary overspending.

Streamlined Labour Acquisition

Gain full visibility of your labour supply chain, automatically fill gaps, and maintain project momentum—while staying within budget.

End-to-End Labour Supply Chain Control

Manage the entire labour lifecycle, from requisition to payment with a unified, efficient system.

Automated Payroll Admin

Reduce manual effort by automating the validation of agency invoices and worker timesheets. Improve accuracy and control over project labour costs.

Instant Notifications & Seamless Communication

Stay connected with real-time updates and communication tools to respond quickly to workforce changes and operational needs.
